**Q.No.1. Choose the correct option.** (3)

**1. The meaning of "fertility" is:**

|                                   |                                     |
|-----------------------------------|-------------------------------------|
| (a) the chief support of a system | (b) lack of food and grain          |
| (c) a cultivated plant for grains | (d) ability (of land) to grow crops |

**4. The meaning of "exhausted" is:**

|            |           |           |                  |
|------------|-----------|-----------|------------------|
| (a) hunger | (b) weary | (c) tired | (d) both b and c |
|------------|-----------|-----------|------------------|

**4. The subcontinent was called \_\_\_\_\_ because of the fertility of the land.**

|                    |                |                 |                   |
|--------------------|----------------|-----------------|-------------------|
| (a) Golden Sparrow | (b) Golden Cow | (c) Golden Crow | (d) Golden Parrot |
|--------------------|----------------|-----------------|-------------------|

**1. Who are the backbone of a society?**

|                 |             |            |               |
|-----------------|-------------|------------|---------------|
| (a) politicians | (b) farmers | (c) rulers | (d) labourers |
|-----------------|-------------|------------|---------------|

**Read the given paragraph and answer the given questions.**

All the farmers must have the fruit of their labour and due respect in the society, so that the number of farmers may increase. The government should encourage farmers by introducing more productive projects in the field of agriculture.

**5. All the farmers must have the \_\_\_\_\_ of their labour.**

|               |           |           |           |
|---------------|-----------|-----------|-----------|
| (a) vegetable | (b) grain | (c) pulse | (d) fruit |
|---------------|-----------|-----------|-----------|

**6. The government should \_\_\_\_\_ farmers.**

|                |               |            |              |
|----------------|---------------|------------|--------------|
| (a) discourage | (b) encourage | (c) arrest | (d) transfer |
|----------------|---------------|------------|--------------|
